IV. DISPOSAL OF MINUTES: December 3, 2024

The minutes from the previous Plenary Meeting, December 3, 2024, were approved without objection.

V. OLD BUSINESS

A. Subcommittee Status Update and Report of the Executive Director.

Director Quenga provided an informational report.

- The Property, Persons, and Criminal Procedure Subcommissions have been assigned additional Title 9 chapters that were originally assigned to the Drugs and Other Criminal Offenses Subcommittee. This will expedite collective review of Title 9. DOCO is currently reviewing Chapter 67 on controlled substances, which is one of the longest and most complex chapters in Title 9.
- The Commission's fourth-quarter report will be released soon.

VI. NEW BUSINESS

A. Subcommittee on Drugs and other Criminal Offenses: Continued Discussion of Chapters Previously Presented and Presentation of Additional Recommendations for Discussion and Approval

Subcommittee Ex-Officio Member Compiler of Laws Geraldine Cepeda presented DOCO's recommendations. Compiler Cepeda's PowerPoint presentation is included as Attachment 1.

- 9 GCA Chapter 67. Guam Uniform Controlled Substances Act.
 - § 67.401.1. Possession, Etc. for Illegal Delivery, Dispensing or Manufacturing; Defined; Punishments Classified According to Drug Class Involved. Attachment 1, Slide 2.
 - Discussion: Initial recommendation of no change was tabled pending the Subcommittee's review of §§ 67.401.4, 67.401.5, 67.401.6, and 67.401.9 at the suggestion of Attorney Cunliffe.
 - § 67.401.2. Illegal Possession; Defined and Punishment. No change as shown in Attachment 1, Slide 3.
 - Discussion: Case law reviewed, no challenges or litigated in any way.
 - § 67.401.2.1. Inhalants. Move out of Chapter 67 as shown in Attachment 1, Slide 4.
 - Discussion: Substances used as inhalants often are not controlled substances, so should not be codified in Chapter 67. Executive Director stated that any recommendation to move a section from its existing placement should be deferred to the Compiler of Laws working with the CLRC because Title 9 will likely be reorganized in the CLRC's submission to the Legislature.
 - § 67.401.2.2. List of Known Inhalants with Potential for Abuse. Move out of Chapter 67 as shown in Attachment 1, Slide 4.

- Discussion: Substances used as inhalants often are not controlled substances, so should not be codified in Chapter 67. It was also noted that the offenses had not been prosecuted to the recollection of subcommission and the list of inhalants mandated by 67.401.2.2 is outdated.
- § 67.401.2.3. Pseudoephedrine: Retail Sale. No change as shown in Attachment 1, Slide 9.
 - Discussion: Pseudoephedrine should remain as it is known as a precursor for meth.
- § 67.401.3. Penalties in Addition to any Civil Penalties. No change as shown in Attachment 1, Slide 10.
 - Discussion: Part of the uniform Controlled Substances Act since its enactment in 1998.
- §§ 67.401.4 (Prison Terms for Drug Offenders), 67.401.5 (Fines for Drug Offenses), 67.401.6 (Additional Fines in Drug Offenses), and 67.401.9 (Importation and Exportation Penalties). All tabled as shown in Attachment 1, Slide 11.
 - Discussion: Tabled pending additional research to determine changes/trends in federal and other state law. Uniform Controlled Substances Act enacted in 1998; consider progress in treatment and changes in laws
- § 67.401.7. Information for Sentencing. No change as shown in Attachment 1, Slide 12.
 - Discussion: Part of the 1998 enactment. Should remain.
- § 67.401.8. Establishing Previous Convictions. No change shown in Attachment 1, Slide 13.
 - Discussion: No change.
- § 67.401.9. Importation and Exportation Penalties. Attachment 1, Slide 15.
 - Discussion: Tabled for further review by subcommission.

Chairman Quan called for a motion to approve the recommendations to table §§ 67.401.1, 67.401.4, 67.401.5, 67.401.6 and 67.401.9; for no change on §§ 67.401.2, 67.401.2.3, 67.401.3, 67.401.7, and 67.401.8; and to repeal and reenact (move) §§ 67.401.2.1 and 67.401.2.2. Approved without objection.

B. Subcommittee on Crimes Relating to Property: Continued Discussion of Chapters Previously Presented and Presentation of Additional Recommendations for Discussion and Approval

Subcommission Member Attorney William Brennan presented his Subcommission's recommendations. Attorney Brennan's presentation is included as Attachment 2.

- 9 GCA Chapter 13. Attempt, Solicitation, Conspiracy.
 - § 13.10. Attempt: Defined. No change but add a note as shown in Attachment 2, Slide 4.
 - Discussion: Tabled. Recommend a note be added to this section to reflect the Supreme Court's holding in *People v. Tedtaotao*, 2015 Guam 31.
 - § 13.20. Solicitation. Amend as shown in Attachment 1, Slide 6.
 - Discussion: Change the word "felony" to "crime" to be more comprehensive and consistent with similar recommendations made by this subcommission. Other jurisdictions reviewed, specifically the New Jersey statute, which did not include the felony distinction.
 - § 13.35. Same: Multiple Criminal Objectives. No change decided as shown in Attachment 2, Slide 5.
 - Discussion: Tabled. Recommend a note be added to reflect conflicting Superior Court decisions regarding this section.
 - § 13.60. Attempt, Solicitation, Conspiracy: Degree of Offense Stated. Amend as shown in Attachment 2, Slide 7.
 - Discussion: Delete (b) which is repetitive of (a). Subcommission didn't see any substantive difference if you were to use (a) as your guiding principle, or (b) specifically for attempted solicitation and conspiracy to commit murder.

Chairman Quan called for a motion to approve the recommendations to table §§ 13.10 and 13.35, and to amend §§ 13.20, 13.60. Approved without objection.

C. Subcommission on Crimes Against Persons: Continued Discussion of Chapters Previously Presented and Presentation of Additional Recommendations for Discussion and Approval

Subcommission Chair, Attorney Joseph B. McDonald presented his Subcommission's recommendations. Attorney McDonald's presentation is included here as Attachment 3.

- § 19.70. Stalking. Amend as shown in Attachment 3, Slide 3.
 - Discussion: Strike the term "who" as a grammatical correction. Noted that the *mens rea* of willfully and maliciously was upheld in *People v. Manglona*, 2024 Guam 8.
- § 22.20. Kidnapping; Defined and Punished. No change as shown in Attachment 3, Slide 10.

- § 25.10. Definitions. Add a new definition as shown in Attachment 3, Slide 4.
 - Discussion: Add new subsection (a)(12) to define “cunnilingus.” Attorney Christine Santos Tenorio’s experience that there has been a missing definition in the definitions found in the criminal sexual conduct statute. Recommendation to add the definition cunnilingus based on other MPC statutes. Subcommittee cites *People vs. Legg*, 494 N.W.2d 797, 798 (Mich. Ct. App. 1992).
- §§ 25A202 (Possession of Child Pornography), 25A203 (Dissemination of Child Pornography), 25A204 (Production of Child Pornography). No change as shown in Attachment 3, Slide 10.
- § 31.65. Curfew Hours for Minors. Repeal as shown in Attachment 3, Slides 6-7.
 - Discussion: Many curfew statutes across the United States have been ruled unconstitutional based on strict scrutiny, freedom of travel, other civil rights, and vagueness. Attorney members on the subcommittee believe this statute would be repealed if it goes up for judicial review. However, GPD member, Sgt. Mike Elliott, was not in favor of a repeal because of law enforcement’s experience with minors out past curfew. Based on the subcommittee’s majority decision, this recommendation to repeal § 31.65 is presented for vote. Mr. Monty McDowell voiced his concerns on problems with drugs and youth out at night would prefer to keep it until our courts rule on it. Attorney Brennan agreed with Monty stated you don’t need a statute to be constitutional to form the basis to approach individuals but would support repeal and would encourage the legislature to replace it. Atty McDonald recognized the value of the statute in allowing charge bargaining but stated the unconstitutionality stares us in the face and our job as lawyers is to point this out and the subcommittee will continue to recommend repeal. Executive Director stated if repeal is recommended, a note can be drafted to reflect this vigorous debate and discussion.
- § 31.70. Leaving Children Unattended or Unsupervised in Motor Vehicles; Penalty; Authority of Law Enforcement Officer. Amend (d) as shown in Attachment 3, Slide 5.
 - Discussion: Recommend “knowingly” as the mental state in (d). Consistent with the MPC which provides minimum culpability requirements when there is no mention of the mental state.

- Chapter 89. Crimes Against Minors and Sex Offender Registry. Repeal unimplemented sections as shown in Attachment 3, Slide 8.
 - §89.03. Registration; Duty to Register.
 - §89.06. Failure to Appear for Registration, Absconding and Failure to Register.
 - §89.08. Duties of the Guam Police Department.
 - Discussion: Sections contain unfunded mandates that have not been implemented. Not recommending repeal of CSC laws, more about committees that have not been funded or formed since passage of these laws.

- Chapter 93. Criminal Sexual Conduct Assessment and Rehabilitation Act. Repeal as shown in Attachment 3, Slide 8.
 - §93.20. Criminal Sexual Conduct Assessment: Standardized Procedure.
 - §93.30. Assessment Required for Convicted Felons and Criminal Sexual Conduct Offenders.
 - § 93.35. Sentencing of Felons: Parole of Felons: Treatment and Testing Based Upon Assessment Required.
 - §93.50. Report to the Legislature.
 - Discussion: Sections contain unfunded mandates that have not been implemented. Not recommending repeal of CSC laws, more about committees that have not been funded or formed since passage of these laws.

Chairman Quan called for a motion on recommendation to repeal 31.65 subject to inclusion of a comment as suggested by the Executive Director. With one vote in opposition, the motion carried.

§ 67.401.7. Information for Sentencing. – **NO CHANGE**

§ 67.401.7. Information for Sentencing.

Except as otherwise provided in Chapter 80 of Title 9 of the Guam Code Annotated, no limitation shall be placed in the information concerning the background, character and conduct of a person convicted of an offense which the Superior Court of Guam may receive and consider for the purpose of imposing an appropriate sentence under this Act.

Slide 12

§ 67.401.8. Establishing Previous Convictions.

– **NO CHANGE**

§ 67.401.8. Establishing Previous Convictions.

(a) [No text]

(1) No person who stands convicted of an offense under §§ 67.401.1 - 67.401.3 or §§ 67.402 - 67.408 or §§ 67.410 - 67.412 of this Act shall be sentenced to increased punishment by reason of one (1) or more prior convictions unless, before trial or before entry of a plea of guilty, the Attorney General files an information with the Court, and serves a copy of such information on the person or counsel for the person, stating the previous convictions to be relied upon. Upon a showing by the Attorney General that facts regarding prior convictions could not by due diligence be obtained prior to trial or before entry of a plea of guilty, the Court may postpone the trial or the taking of the plea of guilty for a reasonable period for the purpose of obtaining such facts. Clerical mistakes in the information may be amended at any time prior to the pronouncement of sentence.

(2) An information may not be filed under this Section if the increased punishment which may be imposed is imprisonment for a term of excess of three (3) years, unless the person either waived or was afforded prosecution by indictment for the offense for which such increased punishment may be imposed.

(b) If the Attorney General files an information under this Section, the Court shall after conviction, but before pronouncement of sentence inquire of the person with respect to whom the information was filed whether he affirms or denies that he has been previously convicted as alleged in the information, and shall inform him that any challenge to a prior conviction which is not made before sentence is imposed may not thereafter be raised to attach the sentence.

(c) [No text]

(1) If the person denies any allegation of the information of prior conviction or claims that any conviction alleged is invalid, he shall file a written response to the information. A copy of the response shall be served upon the Attorney General. The Court shall hold a hearing to determine any issues raised by the response which would exempt the person from increased punishment. The failure of the Attorney General to include in the information the complete criminal record of the person or any facts in addition to the convictions to be relied upon shall not constitute grounds for invalidating the notice given in the information required by § 67.401.8(a)(1). The hearing shall be before the Court without a jury and either party may introduce evidence. Except as otherwise provided in § 67.401.8(c)(2), the Attorney General shall have the burden of proof beyond a reasonable doubt on any issue of fact. At the request of either party, the Court shall enter findings of fact and conclusions of law.

Slide 13

§ 67.401.8. Establishing Previous Convictions.

– **NO CHANGE**

(2) A person claiming that a conviction alleged in the information was obtained in violation of applicable provisions of the Constitution of the United States or the Organic Act of Guam shall set forth his claim and the factual basis therefore with particularity in his response to the information. The person shall have the burden of proof by a preponderance of the evidence on any issue of fact raised by the response. Any challenge to a prior conviction not raised by response to the information before an increased sentence is imposed in reliance thereon shall be waived, unless good cause be shown for failure to make a timely challenge.

(d) [No text]

(1) If the person files no response to the information or if the court determines, after hearing, that the person is subject to increased punishment by reason of prior convictions, the Court shall proceed to impose sentence.

(2) If the Court determines that the person has not been convicted as alleged in the information, that a conviction alleged in the information is invalid, or that the person is otherwise not subject to an increased sentence as matter of law, the Court shall, at the request of the Attorney General, postpone sentence to allow an appeal from that determination. If no such request is made, the Court shall impose sentence. The person may appeal from an order postponing sentence as if sentence had been pronounced and a final judgment of conviction entered.

(e) No person who stands convicted of an offense under §§ 67.401.1 - 67.401.3 or §§ 67.402 - 67.408 or §§ 67.410 - 67.412 of this Act may challenge the validity of any prior conviction alleged under this Section which occurred more than five (5) years before the date of the information alleging such prior conviction.

Slide 14

§ 67.401.9. Importation and Exportation Penalties.

(a) Any person who:

(1) contrary to §§ 67.601 or 67.602 of this Act, knowingly or intentionally imports or exports a controlled substance; or

(2) contrary to § 67.604 of this Act, knowingly or intentionally brings or possesses on board a vessel or aircraft a controlled substance; or

(3) contrary to § 67.608 of this Act, manufacturers who distribute a controlled substance shall be punished as provided in § 67.401.9(b).

(b) [No text]

(1) In the case of an offense under Subsection (a) of this Section involving a controlled substance listed in Schedules I, II, III, IV or V of this Act which is a narcotic, the person guilty of such an offense shall be imprisoned not less than twenty (20) years nor more than thirty (30) years, and may, in addition, be fined not more than Fifty Thousand Dollars (\$50,000). The sentence shall include a special parole term of not less than three (3) years, in addition to such terms of imprisonment.

(2) If he is guilty of an offense under Subsection (a) of this Section, and if he has been convicted on one (1) or more felonies under any provision of this Act, any law of the United States relating to controlled substances, or for any offense under state or foreign law relating to narcotic drugs listed in Schedule I as per Appendix A of this Act, or Schedule II as per Appendix B of this Act, which offense would be a felony under this Act, and one (1) or more of the convictions are final, he shall be sentenced to a term of life imprisonment without the possibility of parole, and may, in addition, be fined not more than One Hundred Thousand Dollars (\$100,000).

Slide 15

(3) In the case of an offense under Subsection (a) of this Section with respect to a controlled substance other than a narcotic drug listed in Schedules I, II, III, IV or V of this Act, the person guilty of such offense shall be imprisoned for not less than three (3) years nor more than ten (10) years, and may, in addition, be fined not more than Fifteen Thousand Dollars (\$15,000). The sentence shall, in addition to such term of imprisonment, include:

(A) a special parole term of not less than two (2) years if such controlled substance is listed in Schedules I, II or III of this Act; or

(B) a special parole term of not less than one (1) year if such controlled substance is listed in Schedule IV of this Act.

(c) The minimum term of imprisonment prescribed by Subsection (b)(1) of this Section shall not apply in the case of a person whom the Court determines violated Subsection (a)(1) of this Section for the primary purpose of enabling him to obtain a narcotic drug which he requires for his personal use because of his addiction to such drug. The Court shall take into consideration the amount of the controlled substance imported in determining if the offender's primary purpose is importation or exportation for his own use.

(d) In the case of any sentence under this Section, imposition or execution of such sentence shall not be suspended and probation shall not be granted nor shall parole or work release be granted until the person has served the minimum term of imprisonment.

(e) Sentences in these cases shall also include mandatory participation in a drug rehabilitation program at the Department of Corrections.

(f) A special parole term imposed under this Section or § 67.411 of this Act may be revoked if its terms and conditions are violated. In such circumstances, the original term of imprisonment shall be increased by the period of the special parole term and the resulting new term of imprisonment shall not be diminished by the time which was spent on special parole. A person whose special parole term has been revoked may be required to serve all or part of the remainder of the new term of imprisonment. The special term provided for in this Section and in § 67.411 of this Act is in addition to and not in lieu of any other parole provided for by law.

Items for Today

- 9 GCA Chapter 13

****The Subcommittee thanks Attorney Gordon Anderson for his work and comprehensive review of Guam Supreme and Superior Court cases concerning this Chapter.***

Slide3

9 GCA § 13.10

"A person is guilty of an attempt to commit a crime when, with intent to engage in conduct which would constitute such crime were the circumstances as he believes them to be, he performs or omits to perform an act which constitutes a substantial step toward commission of the crime."

In *People v. Tedtaotao*, 2015 Guam 31, the Guam Supreme Court held that "attempted *reckless* murder" is not a cognizable offense because one cannot attempt (with intent) to commit a reckless act.

The Subcommittee was split on whether a note should be added to the statute referring to Tedtaotao.

Slide4

9 GCA § 13.35

"If a person conspires to commit a number of crimes, he may be convicted of only one conspiracy so long as those multiple crimes are the object of the same agreement or continuous conspiratorial relationship."

Superior Court decisions currently conflict, with CF0311-20 *People v. Topasna*, Dec. & Order (Jan. 26, 2022) (J. Barcinas) (granting defendant's pretrial motion to dismiss conspiracy counts because the court found "it difficult to see how [the facts highlighted] would support the commission of two separate conspiracies") and CF0330-17 *People v. Santos*, Dec. & Order (Jan. 2, 2018) (J. Bordallo) (denying pretrial motion to dismiss and declining to order the Government to elect which conspiracy to bring to trial, finding Government may *charge* multiple lesser included conspiracies in an Indictment).

The Subcommittee was undecided on whether to address any change in the statute given the conflict, or allow parties to continue to litigate this issue until the Guam Supreme Court decides whether a pre trial election by the Government is required.

Slide5

9 GCA § 13.20

A person is guilty of solicitation to commit a ~~felony~~ crime when with intent to promote or facilitate its commission he commands, encourages or requests another person to perform or omit to perform an act which constitutes such crime or an attempt to commit such crime or would establish his complicity in its commission or attempted commission.

Slide6

9 GCA § 13.60

(a) Except as otherwise provided in this Section attempt, solicitation and conspiracy are crimes of the same grade and degree as the most serious crime which is attempted or solicited or is an object of the conspiracy.

~~(b) Attempted murder, and solicitation and conspiracy to commit murder are felonies of the first degree.~~

~~(c)~~(b) A conspiracy to commit a misdemeanor involving danger to the person or to commit a series or number of misdemeanors pursuant to a common scheme or plan is a felony of the third degree.

California: Generally, No Elevated Fines

California **does not** appear to have special elevated fines for drug possession. Instead, with the exception of heroin (addressed later), California's drug possession fines are pursuant to the general criminal fine statute, Cal. Pen. Code § 1202.4:

(b) In every case where a person is convicted of a crime, the court **shall** impose a separate and additional restitution fine, unless it finds compelling and extraordinary reasons for not doing so and states those reasons on the record.

(1) The restitution fine shall be set at the discretion of the court and commensurate with the seriousness of the offense. If the person is convicted of a **felony**, the fine shall not be less than three hundred dollars (\$300) and not more than ten thousand dollars (\$10,000). If the person is convicted of a **misdemeanor**, the fine shall not be less than one hundred fifty dollars (\$150) and not more than one thousand dollars (\$1,000).

Slide 12

California

Meth Possession

Felony possession of methamphetamine would yield a fine between \$300.00 - \$10,000.00 (Cal. Pen. Code § 1202.4)

Meth Distribution

Felony distribution of methamphetamine appears to have no special escalator, so it would yield a fine between \$300.00 - \$10,000 (Cal. Pen. Code § 1202.4)

Guam

Meth Possession

For a first-time possession charge, a fine of \$5,000.00 (9 GCA § 67.401.12).
For a second+ possession charge, a fine of \$15,000.00 (9 GCA § 67.401.11)

Meth Distribution

Current: Up to \$20,000,000

- Base fine for distributing meth is \$50,000 under § 67.401.4(a) or \$100,000 under § 67.401.4(b)
- Up to \$5,000,000 or \$10,000,000 depending on amount under § 67.401.4(a)(1) or (a)(2); up to \$8,000,000 or \$20,000,000 with prior conviction under § 67.401.4(b)(1) or (b)(2).

Draft: Up to \$100,000

- With the elimination of subsections under (a) and (b), the base fines govern.

Slide 13

California Exception: Large-Volume Heroin Sale (Cal. HSC § 11352.5)

The court shall impose a **fine not exceeding fifty thousand dollars (\$50,000)**, in the absence of a finding that the defendant would be incapable of paying such a fine, in addition to any term of imprisonment provided by law for any of the following persons:

- 1) Any person who is convicted of violating Section 11351 of the Health and Safety Code by possessing for sale 14.25 grams or more of a substance containing heroin.
- 2) Any person who is convicted of violating Section 11352 of the Health and Safety Code by selling or offering to sell 14.25 grams or more of a substance containing heroin.
- 3) Any person convicted of violating Section 11351 of the Health and Safety Code by possessing heroin for sale or convicted of violating Section 11352 of the Health and Safety Code by selling or offering to sell heroin, and who has one or more prior convictions for violating Section 11351 or Section 11352 of the Health and Safety Code.

Slide 14

Guam vs California: Selling Large Quantity of Heroin

California: Fine of **\$50,000** (Cal. HSC § 11352.5).

Current Guam: Fine of **\$50,000 / \$100,000**

- Heroin is a Schedule I Controlled Substance. § 67.203 / App'x A
- Selling heroin is thus illegal under § 67.401.1(b)(1)
- Heroin is not methamphetamine or fentanyl, so the special fine escalators provided by § 67.401.4(a)(1)-(2) or § 67.401.4(b)(1)-(2)) do not apply.
- Therefore, \$50,000 (or \$100,000 with prior conviction) under § 67.401.4(a).

New Draft: Fine of **\$50,000 / \$100,000**

- Because heroin was not subject to the special fine escalators mentioned above, the new draft's removal of these escalators has no effect on heroin sales.

Slide 15

Slide 16

Per Fla. § 775.083(1)(c), a Third Degree Felony carries a fine up to \$5,000

Meth Distribution

Compare § 80.52. Standards for Imposing Fines and/or Restitution.

(a) The court shall not sentence an offender only to pay a fine or to make restitution, when any other disposition is authorized by law, unless having regard to the nature and circumstances of the offense and to the history and character of the offender, it is of the opinion that the fine or restitution alone is appropriate and suffices for the protection of the public.

(b) The court shall not sentence an offender to pay a fine or make restitution in addition to a sentence of imprisonment or probation unless:

(1) the offender has derived a pecuniary gain from the offense; or

(2) the court believes that a fine or restitution is specially adapted to deterrence of the type of offense involved or to the correction of the offender.

(c) The court shall not sentence an offender to pay a fine or make restitution unless the offender is or, given a fair opportunity to do so, will be able to pay the fine or restitution. The court shall not sentence an offender to pay a fine unless the fine will not prevent the offender from making restitution to the victim of the offense.

(d) In determining the amount and method of payment of a fine or restitution, the court shall take into account the financial resources of the offender and the nature of the burden that its payment will impose.

(e) When an offender is sentenced to pay a fine or to make restitution, the court shall not impose at the same time an alternative sentence to be served in the event that the fine is not paid. The response of the court to non-payment shall be determined only after the fine has not been paid and as provided in § 80.56.

§ 80.56. Consequences of Non-Payment.

(a) When an offender sentenced to pay a fine or make restitution defaults in the payment thereof or of any installment, the court, upon the motion of the Attorney General or upon its own motion, may require him to show cause why his default should not be treated as contumacious and may issue a summons or a warrant of arrest for his appearance. Unless the offender shows that his default was excusable, the court shall find that his default was contumacious and may order him committed until the fine or restitution or a specified part thereof is paid. The term of imprisonment for such contumacious non-payment of the fine or restitution shall be specified in the order of commitment and shall not exceed one day for each Ten Dollars (\$10.00) of the fine or restitution, thirty (30) days if the fine or restitution was imposed upon conviction of a violation or a petty misdemeanor or one (1) year in any other case, whichever is the shorter period. When a fine or restitution is imposed on a corporation or an unincorporated association it is the duty of the person or persons authorized to make disbursements from the assets of the corporation or association to pay it from such assets and their failure so to do may be held contumacious under this Subsection. **A person committed for non-payment of a fine or restitution shall be given credit towards its payment for each day of imprisonment, at the rate specified in the order of commitment.**

Slide 29

Authority to revoke a fine.

§ 80.56. Consequences of Non-Payment.

(b) **If it appears that the offender's default in the payment of a fine or restitution is not contumacious, the court may make an order** allowing the offender additional time for payment, reducing the amount thereof or of each installment, or **revoking the fine or restitution or the unpaid portion thereof in whole or in part.**

(c) Upon any default in the payment of a fine or restitution or any installment thereof, execution may be levied and such other measures may be taken for the collection of the fine or restitution or the unpaid balance thereof as are authorized for the collection of an unpaid civil judgment entered against the offender in an action on a debt. The levy of execution for the collection of a fine or restitution shall not discharge an offender committed to imprisonment for non-payment until the amount of the fine or restitution has actually been collected.

Slide 30

§ 80.58. Petition for Revocation of Fine: Conditions.

An offender who has been sentenced to pay a fine and who is not in contumacious default in the payment thereof may at any time petition the court which sentenced him for a revocation of the fine or of any unpaid portion thereof. If it appears to the satisfaction of the court that the circumstances which warranted the imposition of the fine have changed, or **that it would otherwise be unjust to require payment**, the court may revoke the fine or the unpaid portion thereof in whole or in part.

Slide 31

§ 67.414.1. Drug Treatment and Enforcement Fund.

All fines collected by the Superior Court of Guam for violation of this Act shall be placed in a special fund maintained by the Superior Court of Guam for the sole use by Superior Court of Guam. [Cmt. From § 49.10]

[(e) Inadvertently omitted in previous presentation]

(f) *statement under oath* means

(1) a statement made pursuant to a swearing, an affirmation, or any other mode authorized by law of attesting to the truth of that which is stated; and

~~(g) testimony~~ means oral or written statements, documents or any other material which may be offered by a witness in an official proceeding.

(e) statement means any ~~non-trivial~~ representation, but includes a representation of opinion, belief or other state of mind ~~is a statement~~ only if it clearly relates to a state of mind apart from or in addition to the facts which it otherwise represents.

Cmt:

- Amendments return this section closer to the language in source MPC § 241.0(2), which states:
"statement" means any representation, but includes a representation of opinion, belief or other state of mind only if the representation clearly relates to state of mind apart from or in addition to any facts which are the subject of the representation."

§ 52.10. Definitions.

(e) statement means any ~~non-trivial~~ representation, but includes a representation of opinion, belief or other state of mind ~~is a statement~~ only if it clearly relates to a state of mind apart from or in addition to the facts which it otherwise represents.

- The term "non-trivial" is not in MPC § 241.0(2) and creates a potential conflict with "statement" as used in sections 52.15 (Perjury) and 52.20 (False Statement Under Oath).

§ 52.15. Perjury; Defined & Punished.

(a) A person is guilty of perjury if, under oath in an official proceeding, he makes a false statement which is material and which he does not believe to be true.

PROCEDURE REVIEW COMMISSION**

DRAFT INTERIM REPORT

GUAM CRIMINAL LAW AND PROCEDURE REVIEW COMMISSION
INTERIM REPORT TO *I LIHESLATURAN GUÁHAN*
JUNE __, 2025

I. Introduction and Overview of the Commission.

The Guam Criminal Law and Procedure Review Commission (the “Commission”) was created by *I Liheslaturan Guåhan* in Public Law No. 36-119 (Nov. 9, 2022), as amended by P.L. 37-125:XII:39 (Sept. 11, 2024), to conduct the first comprehensive review of Guam’s Criminal Codes of Guam and Criminal Procedure Codes since their adoption by the 13th Guam Legislature in 1976.

Under Public Law No. 36-119, the Commission operates as a division of the Supreme Court of Guam and receives administrative support from the Judiciary of Guam, including office space, utilities, computers and software licenses. The Commission consists of fifteen voting members representing the three branches of government, the Guam Bar Association (including attorneys with prosecutorial and criminal defense experience), full-time and retired judicial officers, directors of government criminal justice and law enforcement agencies, and private individuals from community-based and public interest organizations related to the criminal justice system. The Commission is further supported by several “ex-officio” non-voting members who contribute to the review of Guam’s criminal laws.

On December 27, 2022, then-Chief Justice F. Philip Carbullido appointed Magistrate Judge Jonathan R. Quan as the Chairman of the Commission. On January 9, 2023, he appointed Attorney Andrew S. Quenga as the Executive Director of the Commission. The Commission formally began operations and held its initial plenary meeting on January 13, 2023.

Under Public Law 36-119, Chairman Quan established five subcommissions to focus on different areas of law and named a chairperson to each subcommission. Members of each subcommission were carefully and deliberately selected by the Chairman based on their criminal law experience. Each subcommission is composed of members designated by different statutory appointing authorities, and includes members from the prosecution and defense bars, and local community organizations. The five subcommissions are:

- Subcommission on Crimes Against Persons,
- Subcommission on Crimes Relating to Property,
- Subcommission on Drugs and Other Criminal Offenses,
- Subcommission on Criminal Procedure, and
- Ad Hoc Subcommission on Corrections-related Chapters

At the direction of their Chairpersons, each subcommission is responsible for reviewing its assigned chapters and presenting any recommendations to the entire Commission at public plenary meetings for approval. Since the initial plenary meeting and to the best of their ability, the subcommissions have been meeting in working sessions to review criminal statutes, to include discussing whether revisions are appropriate, examining statutes from other jurisdictions, and deciding on any recommendations to introduce to the plenary Commission for approval.

This Interim Report contains the Commission’s fully approved recommendations of the Commission that have been fully approved as of April 2025. Only the chapters that have been completely reviewed and approved are included in this Interim Report. Chapters pending review or approval will be presented at a later time.

II. Composition of the Commission.

The table below identifies the voting members of the Commission as of April 2025, their statutory appointing authorities and the subcommission to which they are assigned. This table includes non-voting, volunteer “ex-officio” members who contribute their expertise to the review of criminal laws. Under Public Law 36-119, the Executive Director and Compiler of Laws are ex-officio, non-voting members of the Commission.

III. Work of the Commission.

A. Statutory Mandates.

Under Public Law 36-119, the Commission is mandated to review the laws that address the criminal laws of Guam and to recommend enactments, amendments, and repeals to *I Liheslaturan Guåhan*. More specifically, the Commission must conduct a comprehensive and systematic review of the Guam Criminal Procedure Code in Title 8 of the Guam Code Annotated, the Guam Criminal and Correctional Code in Title 9 of the Guam Code Annotated, and other criminal laws outside of Titles 8 and 9. The Commission is required to prioritize the review of the Criminal and Correctional Code and the focus of all subcommissions has been on Title 9.

Public Law 36-119 contemplates that this is a working Commission. In conducting their work, statutory and ex-officio members rely heavily on their extensive experience with Guam criminal laws. Many have spent decades prosecuting defendants or defending clients, other members have served as trial court judges in hundreds of criminal cases, and others lead Guam's major law enforcement agencies. Each member has the opportunity to provide their critical and input on Guam's criminal laws.

B. Commission Work Processes.

The Commission follows the guidelines for review that are set forth in Public Law 36-119. The primary work of the members occurs at the subcommission level, during working sessions called by their chairpersons. These working sessions may be in-person, virtual, or both; they may also be done by correspondence in the exchange of draft comments by email or by other electronic means. Reviewing statutes is very intensive and time-consuming. Guam's criminal codes are based primarily on the Model Penal Code (MPC), members base their review of on other MPC jurisdictions, particularly those cited in the source comments of the Guam statutes. In addition, review may be based on U.S. jurisdictions with recently reformed or revised criminal codes such

as Hawaii and the District of Columbia. Members identify provisions that are archaic or unused, unconstitutional or inorganic, contain outdated language, among other issues and propose recommendations to resolve such issues. Members may recommend amendments, repeals or recommend no change.

Recommendations approved by subcommissions are presented at Commission plenary meetings for discussion by all members and approval by majority vote. The recommendations that are included in this Interim Report have gone through two review and approval processes. The first review process involves each subcommission presenting its recommendations to the plenary commission for discussion and consideration. Recommendations that are approved in the first phase are sent to the final review file. Recommendations that are not approved in the first phase are tabled for further discussion and resolution of issues at the subcommission level. Such recommendations are presented again to the plenary commission and are advanced to the final review file only after they are approved. This Interim Report contains only recommendations that have been approved by the plenary commission through the second review phase.

Attachment 1 to this Interim Report is a copy the Commission's enabling act, 1 GCA Chapter 25, enacted by P.L. 36-119 (Nov. 9, 2022) as amended by P.L. 37-125:XII:39 (Sept. 11, 2024).

Attachment 2 to this Interim Report is a table tracking the recommendations of the Commission by Chapter and Section.

Attachment 3 to this Interim Report presents approved recommendations in blackline format. Recommended amendments adding new language are underlined and amendments deleting existing language are struck-through. Commission comments are included to explain the recommendations.

C. Chapter Status Update.

There are forty-six (46) chapters in Title 9 of the Guam Code Annotated. Currently, the Commission has completely reviewed twenty-four (24) chapters. These twenty-four (24) chapters are presented in this Interim Report. Subcommissions are in the process of reviewing fourteen (14) chapters. Eight (8) chapters are pending review.

III. CONCLUSION.

The Commission is committed to fulfilling its obligation to review all of Guam's criminal laws and will continue to work to the best of the ability of each member. Our subcommissions have the daunting task of reviewing thousands of criminal statutes throughout the GCA. Aside from the very small full-time staff, each member must devote significant time to reviewing their assigned chapters and sections proposed changes in working sessions with their respective subcommissions. Members consist almost entirely of full-time attorneys with clients and litigation caseloads, high-ranking government law enforcement officials and private citizens with full-time work obligations.

Chairman Magistrate Judge Jonathan R. Quan and Executive Director Andrew Serge Quenga thank all members for their commitment and diligence to the work of the Commission. We thank the Judiciary of Guam and Chief Justice Robert J. Torres, and Administrator of the Courts Danielle T. Rosete for their administrative support. We thank Speaker Frank F. Blas, Jr., Chairperson of the Committee on Economic Investment, Military Buildup, Regional Relations, Technology, Regulatory Affairs, Justice, Elections, and Retirement Sen. Telo Taitague and other sponsors of our enabling legislation and the entire Legislature for its support of our mission.

CHAPTER 1
PRELIMINARY PROVISIONS: DEFINITIONS

ARTICLE 1
PRELIMINARY PROVISIONS; CONSTRUCTION

§ 1.10. Short Title.

This ~~Code~~ Title 9 of the Guam Code Annotated shall be known as the Guam Criminal and Correctional Code.

CLRC COMMENT: Non-substantive clarification and for consistency with the first section of Title 8 GCA.

§ 1.12. Severability.

~~If any provisions of this Code or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provision or application of this Code which can be given effect without the invalid provision or application, and to this end the provisions of this Code are severable.~~

CLRC COMMENT: Repeal and reenact as a new § 1.12 (Rules of Construction) with severability included as subsection (g).

§ 1.12. Rules of Construction.

Unless the provision or context otherwise requires, these preliminary provisions and rules of construction shall govern the construction of this Code.

(a) Chapter, article and section headings do not in any manner affect the scope, meaning or intent of the provisions of this Code.

(b) Whenever any reference is made to any portion of this Code or of any other statute, such reference shall apply to all amendments and additions heretofore or hereafter made.

(c) The present tense includes the past and future tenses; and the future, the present.

(d) The masculine gender includes the feminine and neuter.

(e) The singular number includes the plural; and the plural, the singular.

(f) Shall is mandatory and may is permissive.

(g) If any provisions of this Code or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect any other provision or application of this Code which can be given effect without the invalid provision or application, and to this end the provisions of this Code are severable.

CLRC COMMENT: Reenacted § 1.12 consolidating the other rules of construction sections of this chapter: § 1.12 (Severability), § 1.34 (Rules of Construction), § 1.36 (Headings), § 1.38 (Amendments Included), § 1.42 (Tenses), § 1.44 (Gender), § 1.46 (Number), § 1.48 (Shall and May).

§ 1.14. Purpose for Defining Offenses-Purposes, Principles of Construction.

(a) The general purposes of the provisions governing the definition of offense are:

(1) to forbid, prevent, and condemn conduct that unjustifiably and inexcusably inflicts or threatens substantial harm to individual or public interests;

(2) to insure the public safety by preventing the commission of offenses through the deterrent influence of the sentence authorized, the rehabilitation of those convicted, and their confinement when required in the interest of public protection;

(3) to subject to public control persons whose conduct indicates that they are disposed to commit offenses;

(4) to give fair warning of the nature of the conduct proscribed and of the sentences authorized upon conviction;

(5) to differentiate on reasonable grounds between serious and minor offenses; and

(6) to define adequately the act and mental state which constitute each offense, and limit the condemnation of conduct as criminal when it is without fault.

(b) The general purposes of the provisions governing the sentencing of offenders are:

(1) to prevent and condemn the commission of offenses;

(2) to promote the correction and rehabilitation of offenders;

(3) to assure the public safety by preventing the commission of offenses through the deterrent influence of sentences imposed and the confinement of offenders when required in the interest of public protections;

(4) to safeguard offenders against excessive, disproportionate, or arbitrary punishment;

(5) to give fair warning of the nature of the sentences that may be imposed on conviction of an offense;

(6) to differentiate among offenders with a view to a just individualization in their treatment; ~~and~~

(7) to advance the use of generally accepted scientific methods and knowledge in sentencing offenders;

(8) to promote restitution to victims;

(9) to provide the defendant with needed educational or vocational training, medical care, or other correctional treatment in the most effective manner; and

(10) to impose sentences no more severe than necessary to achieve the societal purposes for which they are authorized.

(c) The provisions of this Code shall be construed according to the fair import of their terms, but when the language is susceptible of differing constructions it shall be interpreted to further the general purposes stated in this Section and the special purposes of the particular provision involved. The discretionary powers conferred by this Code shall be exercised in accordance with the criteria stated in the Code and, insofar as such criteria are not decisive, to further the general purposes stated in this Section.

CLRC COMMENT: Non-substantive clarification of title from source MPC § 1.02. Added subsection (b)(8) is from New Jersey and promotes restitution to victims. Added subsection (b)(9) is from the United States Code and promotes educational, vocational and medical care of inmates. Added subsection (b)(10) safeguards against disproportionate punishment.

§ 1.16. Territorial Applicability.

(a) Except as otherwise provided in this Section, a person may be convicted under the law of ~~this Territory~~ Guam of an offense committed by his own conduct or the conduct of another for which he is legally accountable if;

(1) the conduct which is an element of the offense or the result which is such an element occurs within ~~this Territory~~ Guam;

(2) conduct occurring outside the Territory is sufficient under the law of ~~this Territory~~ Guam to constitute an attempt to commit an offense within ~~the Territory~~ Guam;

(3) conduct occurring outside ~~the Territory~~ Guam is sufficient under the law of ~~this Territory~~ Guam to constitute a conspiracy to commit or offense within ~~the Territory~~ Guam and an overt act in furtherance of such conspiracy occurs within ~~the Territory~~ Guam;

(4) conduct occurring within ~~the Territory~~ Guam establishes complicity in the commission of, or an attempt, solicitation, or conspiracy to commit, an offense in another jurisdiction which is also an offense under the law of ~~this Territory~~ Guam.

(5) the offense consists of the omission to perform a legal duty imposed by the law of ~~this Territory~~ Guam with respect to domicile, residence, or a relationship to a person, thing, or transaction in ~~the Territory~~ Guam; or

(6) the offense is based on a statute of ~~this Territory~~ Guam which expressly prohibits conduct outside ~~the Territory~~ Guam when the conduct bears a reasonable relation to a legitimate interest of ~~this Territory~~ Guam and the person knows or should know that his conduct is likely to affect that interest.

(b) ~~Paragraph (1) of Subsection (a)(1)~~ does not apply when either causing a specified result or an intent to cause or danger of causing such a result is an element of an offense and the result occurs or is designed or likely to occur only in another jurisdiction where the conduct charged would not constitute an offense, unless a legislative purpose plainly appears to declare the conduct criminal regardless of the place of the result.

(c) ~~Paragraph (1) of Subsection (a)(1)~~ does not apply when causing a particular result is an element of an offense and the result is caused by conduct occurring outside ~~the Territory~~ Guam which would not constitute an offense if the result had occurred there, unless the person intentionally or knowingly caused the result within ~~the Territory~~ Guam.

(d) When the offense is homicide, either death of the victim or the bodily impact causing death constitutes a “result,” within the meaning of ~~Paragraph (1) of S-subsection (a)(1)~~ and if the body of a homicide victim is found within ~~the Territory~~ Guam, it is presumed that such result occurred within ~~the Territory~~ Guam.

(e) ~~the Territory~~ Guam includes the land and water and the air space above such land and water with respect to which ~~the Territory~~ Guam has legislative jurisdiction.

(f) Notwithstanding that territorial jurisdiction may be found under this Section, the court may dismiss, hold in abeyance for up to six months, or with the permission of the defendant, place on an inactive list a criminal prosecution under the law of this Territory where it appears that such action is in the interests of justice because the defendant is being or is likely to be prosecuted for an offense based on the same conduct in another jurisdiction and ~~the Territory~~ Guam’s interest will be adequately served by a prosecution in the other jurisdiction.

CLRC COMMENT: Amendments for consistency with 1 GCA § 420. Other amendments are for clarification of citations.

§ 1.18. Classes of Crimes.

(a) An offense defined by this Code or by any other statute of ~~this Territory~~ Guam, for which a sentence of imprisonment is authorized, constitutes a crime. Crimes are classified as felonies, misdemeanors or petty misdemeanors.

(b) A crime is a felony if it is so designated in this Code or if persons convicted thereof may be sentenced to imprisonment for a term which, apart from an extended term, is in excess of one year.

(c) A crime is a misdemeanor if it is so designated in this Code or in a statute other than this Code enacted subsequent thereto.

(d) Any offense declared by law to constitute a crime, without specification of the grade thereof or of the sentence authorized upon conviction, is a misdemeanor.

(e) A crime is a petty misdemeanor if it is so designated in this Code or in a statute other than this Code enacted subsequent thereto or if it is defined by a statute other than this Code which now provides that person convicted thereof may be sentenced to imprisonment for a maximum term of less than one year.

(f) An offense defined by this Code or by any other statute of ~~this Territory~~ Guam constitutes a violation if it is so designated in this Code or in the law defining the offense or if no other sentence than a fine, or fine and forfeiture or other civil penalty is authorized upon conviction. A violation does not constitute a crime and conviction of a violation shall not give rise to any disability or legal disadvantage based on conviction of a criminal offense.

(g) An offense defined by any statute of ~~this Territory~~ Guam other than this Code shall be classified as provided in this Section and the sentence that may be imposed upon conviction thereof shall hereafter be governed by this Code.

CLRC COMMENT: Amendments for consistency with 1 GCA § 420.

§ 1.19. Felonies Defined and Classified.

(a) Felonies defined by this Code are classified, for the purpose of sentence, into three degrees, as follows:

- (1) felonies of the first degree;
- (2) felonies of the second degree;
- (3) felonies of the third degree.

Any crime declared to be a felony, without specification of degree, is of the third degree.

(b) Notwithstanding any other provision of law, a felony defined by any statute of Guam other than this Code shall constitute for the purpose of sentence a felony of the third degree.

CLRC COMMENT: Amendments for consistency with 1 GCA § 420.

§ 1.20. Relationship of Code to Other Laws; Contempts, Penalties and Remedies.

(a) No conduct constitutes an offense unless it is a crime or violation under this Code or other statute of Guam.

(b) The provisions of this Code shall apply to offenses defined by other statutes, unless otherwise expressly provided or unless the context otherwise requires.

(c) Nothing in this Code shall affect the power of a court to punish contempt or to employ any sanction authorized by law for the enforcement of an order or a civil judgment or decree.

(d) Nothing in this Code shall bar or suspend any liability for damages, penalty, forfeiture, or other remedy otherwise authorized by law to be recovered or enforced in any civil action or proceeding, for any conduct punishable by this Code.

CLRC COMMENT: Amendment for consistency with 1 GCA § 420.

§ 1.22. Prosecution for Conduct Which Constitutes More Than One Offense.

When the same conduct of a defendant may establish the commission of more than one offense, the defendant may be prosecuted for each such offense. He may not, however, be convicted of more than one offense if:

- (a) one offense is included in the other as defined in 8 GCA § 105.58 of the Criminal Procedure Code;
- (b) one offense consists only of a conspiracy or other form of preparation to commit the other,
- (c) inconsistent findings of fact are required to establish the commission of the offenses;
- (d) the offenses differ only in that one is defined to prohibit a designated kind of conduct generally and the other to prohibit a specific instance of such conduct; or
- (e) the offense is defined as a continuing course of conduct and the defendant's course of conduct was uninterrupted, unless the law provides that specific periods of such conduct constitute separate offenses.

CLRC COMMENT: Non-substantive citation clarification.

§ 1.24. Double Jeopardy. Same Offense.

A prosecution of a defendant for a violation of the same provision of the statutes based upon the same facts as a former prosecution is barred by such former prosecution under the following circumstances:

- (a) The former prosecution resulted in an acquittal by a finding of not guilty by the trier of fact or in a determination that there was insufficient evidence to warrant a conviction. A finding of guilty of a lesser included offense is an acquittal of the greater inclusive offense, although the conviction is subsequently set aside.
- (b) The former prosecution was terminated, after the complaint had been filed or the indictment found, by a final order or judgment for the defendant, which has not been set aside, reversed, or vacated and which necessarily required a determination inconsistent with a fact or a legal proposition that must be established for conviction of the offense.
- (c) The former prosecution resulted in a conviction. There is a conviction if the prosecution resulted in a judgment of conviction which has not been reversed or vacated, a verdict of guilty which has not been set aside and which is capable of supporting a judgment, or a plea of guilty accepted by the court. In the latter two cases failure to enter judgment must be for a reason other than a motion of the defendant.
- (d) The former prosecution was improperly terminated. Except as provided in this Subsection, there is an improper termination of a prosecution if the termination is for reasons not amounting to an acquittal, and it takes place after the jury was impaneled and sworn or, in a trial before a court without a jury, after the first witness was sworn but before findings were rendered by the trier of fact. Termination under any of the following circumstances is not improper:
 - (1) the defendant consents to the termination or waives, by motion to dismiss or otherwise, his right to object to the termination;

(2) the trial court finds that the termination is necessary because of the failure of the jury to agree upon a verdict after a reasonable time for deliberation has been allowed; or

(3) the trial court finds that the termination is required by a sufficient legal reason and a manifest or absolute or overriding necessity.

CLRC COMMENT: Non-substantive typographical correction.

§ 1.26. Double Jeopardy. Different Offense.

A prosecution of a defendant for a violation of a different provision of the statutes or based on different facts than a former prosecution is barred by such former prosecution under the following circumstances:

(a) The former prosecution resulted in an acquittal or in a conviction as defined in § 1.24 and the subsequent prosecution is for:

(1) any offense of which the defendant could have been convicted on the first prosecution;

(2) any offense of which the defendant should have been tried on the first prosecution under ~~Subsection (b) of § 65.30 of the Criminal Procedure Code~~ 8 GCA § 65.30(b) unless the court ordered a separate trial of the charge of such offense; or

(3) the same conduct, unless (A) the offense of which the defendant was formerly convicted or acquitted and the offense for which he is subsequently prosecuted each requires proof of a fact not required by the other and the law defining each of such offenses is intended to prevent a substantially different harm or evil, or (B) the second offense was not consummated when the former trial began.

(b) The former prosecution was terminated, after the complaint was filed or the indictment found, by an acquittal or by a final order or judgment for the defendant which has not been set aside, reversed or vacated and which acquittal, final order or judgment necessarily required a determination inconsistent with a fact which must be established for conviction of the second offense.

(c) The former prosecution was improperly terminated, as improper termination is defined in § 1.24, and the subsequent prosecution is for an offense of which the defendant could have been convicted had the former prosecution not been improperly terminated.

CLRC COMMENT: Non-substantive citation clarification.

§ 1.28. Concurrent Jurisdiction. When a Bar to Prosecution.

When conduct constitutes an offense within the concurrent jurisdiction of Guam and of the United States or any state, a prosecution in any such other jurisdiction is a bar to a subsequent prosecution in Guam under the following circumstances:

(a) the first prosecution resulted in an acquittal or in a conviction as defined in § 1.24 and the subsequent prosecution is based on the same conduct, unless

(1) the offense of which the defendant was formerly convicted or acquitted and the offense for which he is subsequently prosecuted each requires proof of a fact not required by the other and the law defining each of such offenses is intended to prevent a substantially different harm or evil or

(2) the offense for which the defendant is subsequently prosecuted is intended to prevent a substantially more serious harm or evil than the offense of which he was formerly convicted or acquitted or

(3) the second offense was not consummated when the former trial began; or

(b) the former prosecution was terminated after the information was filed or the indictment found, by an acquittal or by a final order or judgment for the defendant which has not been set aside, reversed or vacated and which acquittal, final order or judgment necessarily required a determination inconsistent with a fact which must be established for conviction of the offense of which the defendant is subsequently prosecuted.

CLRC COMMENT: No change.

§ 1.30. Former Prosecutions. When Not a Bar to Present Prosecution.

A prosecution is not a bar within the meaning of §§ 1.24, 1.26 and 1.28 under ~~either~~ any of the following circumstances:

(a) The former prosecution was before a court which lacked jurisdiction over the defendant or the offense tried in that court; or

(b) The former prosecution resulted in a judgment of conviction which was held invalid in a subsequent proceeding on a petition for post-conviction relief or similar process, except that any bar as to reprosecution for a greater inclusive offense created by ~~Subsection (a) of § 1.24(a)~~ shall apply.

(c) The former prosecution resulted in a plea of guilty or nolo contendere which was held invalid in an appeal under 8 GCA § 130.15(e) and the defendant may be retried as if the former plea had not been entered.

CHAPTER 4
GENERAL PRINCIPLES OF LIABILITY

§ 4.10. Conduct to Include Voluntary Act or Omission.

A person is not guilty of an offense unless his liability is based on conduct which includes a voluntary act or the omission to perform an act of which he is physically capable.

CLRC COMMENT: No change

§ 4.15. Voluntary Act Defined.

(a) A *voluntary act* is one performed consciously as a result of effort or determination.

(b) Possession is a voluntary act if the possessor knowingly procured or received the thing possessed, or was aware of his control of it for sufficient time to have been able to terminate his control.

CLRC COMMENT: No change

§ 4.20. Liability for Omission Limited.

A person is not guilty of an offense if his liability is based solely on an omission unless the law defining the offense expressly so provides, or a duty to perform the act is otherwise imposed by law.

CLRC COMMENT: No change

§ 4.25. Culpability.

Except as provided in § 4.45, a person is not guilty of a crime unless he acts intentionally, knowingly, recklessly or with criminal negligence, as the law may require, with respect to the conduct, the result thereof or the attendant circumstances which constitute the material elements of the crime.

CLRC COMMENT: No change

§ 4.30. Culpability Defined.

(a) A person acts intentionally, or with intent, with respect to his conduct or to a result thereof when it is his conscious purpose to engage in the conduct or cause the result.

(b) A person acts knowingly, or with knowledge, with respect to his conduct or to attendant circumstances when he is aware of the nature of his conduct or that those circumstances exist. A person acts knowingly, or with knowledge, with respect to a result of his conduct when he is aware that his conduct is practically certain to cause the result.

(c) A person acts recklessly, or is reckless, with respect to attendant circumstances or the result of his conduct when he acts in awareness of a substantial risk that the circumstances exist or that his conduct will cause the result and his disregard is unjustifiable and constitutes a gross deviation from the standard of care that a reasonable person would exercise in the situation.

(d) A person acts with criminal negligence, or is criminally negligent, with respect to attendant circumstances or the result of his conduct when he should be aware of a substantial and unjustifiable risk that the circumstances exist or that his conduct will cause the result and his failure to be aware of the risk constitutes a gross deviation from the standard of care that a reasonable person would exercise in the situation.

CLRC COMMENT: No change

§ 4.35. Culpability Applied to Elements of Offense.

(a) If the definition of an offense prescribes a culpable mental state but does not specify the conduct, attendant circumstances or result to which it applies, the prescribed culpable mental state shall apply to each such material element.

(b) If the definition of a crime prescribes criminal negligence as the culpable mental state, it is also established if a person acts intentionally, knowingly or recklessly. When recklessness suffices to establish a culpable mental state, it is also established if a person acts intentionally or knowingly. When acting knowingly suffices to establish a culpable mental state, it is also established if a person acts intentionally.

(c) Knowledge that conduct constitutes an offense, or knowledge of the existence, meaning, or application of the statute defining an offense, is not an element of an offense unless the statute clearly so provides.

CLRC COMMENT: No change.

§ 4.40. Culpable Mental State Generally Required.

Except as provided in § 4.45, if the definition of a crime does not expressly prescribe a culpable mental state, a culpable mental state is nonetheless required and is established only if a person acts intentionally, knowingly or recklessly.

CLRC COMMENT: No change

§ 4.45. Same Culpable Mental State: When Inapplicable.

The culpable mental state requirements of § 4.25 and § 4.40 do not apply if the offense is a violation or if the law defining the offense clearly indicates purpose to dispense with any culpable mental state requirement.

CLRC COMMENT: Non-substantive amendment to section title.

§ 4.50. Causation Established and Defined.

(a) An element of an offense which requires that the defendant have caused a particular result is established when his conduct is an antecedent but for which the result would not have occurred, and,

(1) if the offense requires that the defendant intentionally or knowingly caused the result, that the actual result, as it occurred,

(A) is within the purpose of contemplation of the defendant, whether the purpose or contemplation extends to natural events or to the conduct of another, or, if not,

(B) involves the same kind of injury or harm as that designed or contemplated and is not too remote, accidental in its occurrence or dependent on another's volitional act to have a just bearing on the defendant's liability or on the gravity of his offense;

(2) if the offense requires that the defendant recklessly or negligently cause the result, that the actual result, as it occurred,

(A) is within the risk of which the defendant was or should have been aware, whether that risk extends to natural events or to the conduct of another, or, if not,

(B) involves the same kind of injury or harm as that recklessly or negligently risked and is not too remote, accidental in its occurrence or dependent on another's volitional act to have a just bearing on the defendant's liability or on the gravity of his offense;

(3) if the offense imposes strict liability, that the actual result, as it occurred, is a probably probable consequence of the defendant's conduct.

(b) A defendant shall not be relieved of responsibility for causing a result if the only difference between what actually occurred and what was designed, contemplated or risked is that a different person or property was injured or affected or that a less serious or less extensive injury or harm occurred.

CLRC COMMENT: Non-substantive amendment to section

§ 4.55. Guilt Established by Causing or Aiding Innocent Party in Commission of Crime.

§ 4.60. Guilt Established by Complicity.

A person is guilty of an offense if, with the intention of promoting or assisting in the commission of the offense, he induces or aids another person to commit the offense. CLRC COMMENT: No change

§ 4.65. Criminal Facilitation Established and Punished.

A person is guilty of criminal facilitation when, knowing that another person intends to engage in conduct which in fact constitutes a crime, he knowingly furnishes substantial assistance to him.

Criminal facilitation of a felony of the second or of the third degree is a misdemeanor.

Criminal facilitation of a misdemeanor or petty misdemeanor is a petty misdemeanor.

(a) the offense can be committed only by a particular class of persons to which the defendant does not belong; or

(b) the other person has legal immunity from prosecution, or has not been prosecuted for or convicted of an offense based upon the conduct in question, or has previously been acquitted.

§ 4.75. ~~Same Criminal Liability for Acts of Another:~~ Defenses Available.

(a) the defendant was a victim of the offense; or

(b) under circumstances manifesting a voluntary and complete renunciation of his criminal intent, the defendant withdrew from participation in the offense and made a reasonable effort to stop the commission of the offense.

CLRC COMMENT: Non-substantive amendment to section title.

(2) any offense consisting of a failure to perform a duty imposed by law; or

(b) It is no defense that an individual upon whose conduct liability of the corporation is based has not been prosecuted or convicted, has been convicted of a different offense or is immune from prosecution.

(c) As used in this Section, managerial agent means an agent of the corporation having duties of such responsibility that his conduct may fairly be found to represent the policy of the corporation.

CHAPTER 17

UNBORN VICTIMS OF VIOLENCE ACT

CLRC COMMENT: No Change

§ 17.01. Title.

This Act may be cited or referred to as “The Unborn Victims of Violence Act of 2016.”

CLRC COMMENT: No Change

§ 17.02. Legislative Statement and Intent.

(a) *I Liheslaturan Guåhan* understands that the physical harm or death of an expectant woman could equally result in the physical harm and death to the unborn child in her womb. For the woman who desires to carry and care for her unborn child to term, the protection and safety of the living being in her womb is something she should not have to worry about. To this statement, former President George W. Bush once expressed, “Any time an expectant mother is a victim of violence, two lives are in the balance, each deserving protection, and each deserving justice.”

(b) *I Liheslaturan Guåhan* finds that “The Unborn Victims of Violence Act of 2016” (Act) is a step toward protecting an expectant mother and her unborn child, and recognizes that an unborn child is a legal victim if he or she is injured or killed during the commission of crimes of violence.

(c) *I Liheslaturan Guåhan* believes and further recognizes that while an expectant mother has a legal right to determine the fate of her unborn child, she should also be assured that any harm to her unborn child caused from unwarranted and unexpected harm directed at her will result in additional criminal sanctions against the responsible person(s).

CLRC COMMENT: No Change

(c) Assault of an unborn child is punishable to the same extent and manner as the offense of assault defined in Chapter 19 of Title 9, Guam Code Annotated.

Attorney members of the Commission noted that the constitutionality of curfew laws has been widely challenged across the United States and believe this law would be struck down if were to be challenged in Guam. Some members conceded that this curfew law may be unconstitutional but because of Guam's problems with minors out past curfew they would prefer to leave it until it is challenged and struck down by the courts. This recommendation was opposed by the GPD member and a community member of the Commission.

ARTICLE 6 COMPUTER SPYWARE PROTECTION ACT

§ 46.601. Title.

This Act may be cited as the “Computer Spyware Protection Act.”

CLRC COMMENT: No Change

§ 46.602. Legislative Findings and Intent.

I Liheslaturan Guåhan finds that spyware is a problem that adversely affects nearly every computer connected to the internet. Spyware is a catch-all term for computer programs that can track computer users’ movements online. There are hundreds of programs that range from innocuous “ad-ware,” which generates pop-up advertisements, to more dangerous programs that can record a user’s keystrokes to gather personal information, such as credit card numbers and passwords, without their knowledge, and forward this information to another entity without the consumer’s consent. Spyware is a serious problem that can create substantial privacy risks, increase the risk of identity theft, and cause serious degradation to personal and business computers that can cost millions of dollars in lost productivity.

It is the intent of *I Liheslatura* to protect owners and operators of computers on Guam from the use of spyware and malware that is deceptively or surreptitiously installed on the owner’s or the operator’s computer.

CHAPTER 48

NOTIFICATION OF BREACHES OF PERSONAL INFORMATION

§ 48.10. Legislative Findings and Intent.

I Liheslaturan Guåhan finds that both public and private entities on Guam have a duty to safeguard personal information that, *if stolen or publicized*, may result in crimes such as fraud and identity theft. The anonymity of the global internet, that transcends the borders of sovereign nations, makes it possible for unscrupulous individuals to profit from the theft of personal information and never be brought to justice for their crimes *or* made to pay restitution. Therefore, it is incumbent upon all entities that are entrusted with

such data to maintain strong security systems to ensure that the personal information will always be protected.

It is the intent of *I Liheslatura* to ensure that the personal information of the residents of Guam is protected, by providing procedures for notification of security breaches related to personal information and thereby encouraging individuals and commercial entities, as defined by public law, to provide reasonable security for unencrypted personal information.

CLRC COMMENT: No change.

§ 48.20. Definitions.

As used in this Chapter:

(a) *Breach of the security of a system* means the unauthorized access and acquisition of unencrypted and unredacted computerized data that compromises the security *or* confidentiality of personal information maintained by an individual *or* entity as part of a database of personal information regarding multiple individuals and that causes, *or* the individual *or* entity reasonably believes has caused *or* will cause, identity theft *or* other fraud to any resident of Guam.

Good faith acquisition of personal information by an employee *or* agent of an individual *or* entity for the purposes of the individual *or* the entity is *not* a breach of the security of the system, provided, that the personal information is *not* used for a purpose other than a lawful purpose of the individual *or* entity *or* subject to further unauthorized disclosure.

(b) *Entity* includes corporations, business trusts, estates, partnerships, limited partnerships, limited liability partnerships, limited liability companies, associations, organizations, joint ventures, governments, governmental subdivisions, agencies, *or* instrumentalities, *or* any other legal entity, whether for profit *or* not-for-profit.

(c) *Encrypted* means transformation of data through the use of an algorithmic process into a form in which there is a low probability of assigning meaning without the use of a confidential process *or* key, *or* securing the information by another method that renders the data elements unreadable *or* unusable.

(e) *Individual* means a natural person.

(3) Financial account number, *or* credit card *or* debit card number, in combination with any required security code, access code, *or* password that would permit access to a resident's financial accounts.

(4) The term *does not* include information that is lawfully obtained from publicly available information, *or* from Federal, State, *or* local government records lawfully made available to the general public.

(g) *Notice* means:

Substitute notice consists of any two (2) of the following:

(A) E-mail notice *if* the individual *or* the entity has e-mail addresses for the members of the affected class of residents;

(B) Conspicuous posting of the notice on the Website of the individual *or* the entity, *if* the individual *or* the commercial entity maintains a Website; and

(C) Notice to major Guam media.

(h) *Redact* means alteration *or* truncation of data such that *no more than* the following are accessible as part of the personal information:

(a) General Rule. (b) Encrypted Information. An individual *or* entity must disclose the breach of the security of the system *if* encrypted information is accessed and acquired in an unencrypted form, *or if* the security breach involves a person with access to the encryption key and the individual *or* entity reasonably believes that such breach has caused *or* will cause identity theft *or* other fraud to any resident of Guam.

(c) An individual *or* entity that maintains computerized data that includes personal information that the individual *or* entity *does not* own *or* license *shall* notify the owner *or* licensee of the information of any breach of the security of the system as soon as practicable following discovery, *if* the personal information was, *or* if the entity reasonably believes was, accessed and acquired by an unauthorized person.

(d) Notice required by this Section may be delayed *if* a law enforcement agency determines and advises the individual *or* entity that the notice will impede a criminal *or* civil investigation, *or* homeland *or* national security. Notice required by this Section must be made without unreasonable delay after the law enforcement agency determines that notification will no longer impede the investigation *or* jeopardize national *or* homeland security.

CLRC COMMENT: No change.

CLRC COMMENT: No change.

§ 48.70. Effective Date.

This Chapter *shall* take effect one hundred twenty (120) days after the date of enactment.

CLRC COMMENT: No change.

§ 48.80. Preemption.

This Chapter deals with subject matter that is of island-wide concern, and it is the intent of *I Liheslatura* that this Chapter *shall* supersede and preempt all rules and regulations regarding the matters expressly set forth in this Chapter.

CLRC COMMENT: No change.

CHAPTER 52 PERJURY AND OFFENSE AGAINST THE INTEGRITY OF OFFICIAL PROCEEDINGS

(g) *testimony* means oral or written statements, documents or any other material which may be offered by a witness in an official proceeding.

CLRC COMMENT: For clarification of the section, subsection (a) definitions of “official function” and “public servant” in are inserted directly into this section from § 49.10. Subsection (d) definition of “public record” in is stricken as the term is not used in this chapter. Subsection (e) term “non-trivial” is stricken as it creates a potential conflict with “statement” as used in § 52.15 (Perjury) and § 52.20 (False Statement Under Oath); other amendents are for consistency with source MPC § 241.0 (Definition of Statement). Subsection (f)(3) definition of “testimony” is erroneously placed and is renumbered as a new subsection.

§ 52.15. Perjury; Defined & Punished.

(a) A person is guilty of perjury if, under oath in an official proceeding, he makes a false statement which is material and which he does not believe to be true.

- (a) the oath was administered or taken in an irregular manner;
- (b) the authority or jurisdiction of the person administering the oath was defective, if the defect was excusable under any statute or rule of law;
- (c) the statement was subject to a proper objection, whether or not such objection was made; or
- (d) the defendant mistakenly believed the falsification to be immaterial, where materiality of the statement is an element of the offense.

CLRC COMMENT: No change.

§ 52.30. Unsworn Falsifications; Defined & Punished.

A person is guilty of a misdemeanor if, with intent to mislead a public servant in performing his official function, he makes, submits or uses:

§ 52.40. Intimidation of Witnesses by Extortion; Defined & Punished.

A person is guilty of a felony of the third degree if, by any threat which would constitute a means of committing the offense of theft by extortion under this Code if such threat were employed to obtain property, he:

- (b) attempts to induce any person who has been or may be properly called as a witness in any official proceeding to give false testimony in, to withhold testimony or information from, or to fail to attend, any such proceeding.

(b) offers, confers upon, or agrees to confer upon, any person who has been or may be properly called as a witness in an official proceeding any benefit as consideration for giving false testimony or information, for withholding testimony or information from, or for failing to attend, any such official proceeding;

CLRC COMMENT: Amendment reduces the offense level to a misdemeanor. Felony level in this section is inconsistent with source MPC § 241.7 (Tampering with or Fabricating Physical Evidence), which is a misdemeanor, and is inconsistent with § 52.60 (Destroying Evidence), which is a misdemeanor. The other amendment updates the section to include electronic form of evidence.

§ 52.60. Destroying Evidence; Defined & Punished.

A person is guilty of a misdemeanor if, believing that an official proceeding has been or is about to be instituted, he destroys, conceals or removes any record, document or thing in any form, including written or electronic format, with intent to impair its availability in the proceeding.

CLRC COMMENT: According to the DOCO Subcommittee and DOC representatives, subsection (b) is superfluous because the request is already included in the annual appropriations request; for subsection (c), repeal was suggested because lack of funding/appropriations meant that DOC was unable to conduct training cycles on an annual basis.

Such termination shall be effective immediately upon its execution.

§ 90.47.02. ~~Same:~~ Non-disciplinary Transfers of Inmates.

The Director may recommend the transfer of an inmate to an institution outside of Guam for non-disciplinary circumstances under either of the following circumstances:

(a) whenever the Director determines that, due to the physical or mental condition of an inmate, the present incarceration lacks adequate facilities for custody, care, subsistence, education, treatment or training of the inmate, and that of the inmate would be better served by transfer to an institution outside of Guam; or

(b) whenever the Director determines that due to overcrowding which impacts on the adequacy of the facility to provide for the safe custody, care, subsistence, education, treatment and training of an inmate the interest of the inmate is better served by such transfer to an institution outside Guam.

CLRC COMMENT: Non-substantive amendments.

§ 90.47.03. ~~Same:~~ Procedures for Transfers of Inmates.

Whenever the Director ~~of the Department of Corrections~~ determines that an inmate be recommended for transfer to a correctional institute outside of Guam, the Director shall ~~convene a Transfer Review Committee to review the basis for such recommended transfer. CLRC COMMENT: According to DOC, the Transfer Review Committee has never met.

§ 90.47.05. ~~Same:~~ Appeal from Determination.

~~Any inmate whom the Transfer Review Committee has determined is to be transferred under these provisions may appeal such determination to the Superior Court of Guam. The review of the Superior Court shall not be de novo, and shall be limited to a review of the record to determine whether the Transfer Review Committee made its determination based upon a fair and full hearing. A determination may be reversed only upon a showing that the Committee abused its discretion in applying the rules and regulations to the facts which provided the basis for the recommended transfer, and that to allow the decision to stand would result in a miscarriage of justice. Notice of filing an appeal in accordance with this Subsection does not automatically stay an inmates transfer pending appeal.~~

CLRC COMMENT: According to DOC, the Transfer Review Committee has never met.

~~§ 90.48. Nursing Mothers Accommodations.~~

CLRC COMMENT: DOC requested repeal of subsection (c) because the requirement of legislative approval and appropriation made it administratively difficult to access the funds for DOC and inmate needs. There are already protections in place for expenditure and reporting/accounting of expenditure of the funds.

Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any all proceedings had pursuant to the provisions of this Subdivision, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state. Costs of records made pursuant to this Subdivision shall be borne by the sending state.

(g) An inmate confined pursuant to this Compact shall be released within the Territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its Territory.

(h) Any inmate confined pursuant to the terms of this Compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

(i) The parent, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this Compact.

Article V

Acts Not Reviewable in Receiving State; Extradition

(a) Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this Compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is suspected of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this Compact through any and all states party to this Compact without interference.

An actual withdrawal shall not take effect until two years after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its Territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this Compact.

Article IX Other Arrangements Unaffected

Nothing contained in this Compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a non-party state of the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

Article X Construction and Severability

The preceding shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. ~~Article I
Finding and Purposes~~

~~That juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their own health, morals and welfare of others. The cooperation of the states party to this Compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to (1) cooperative supervision of delinquent juveniles on probation or parole; (2) the return, from one state to another, of delinquent juveniles who have escaped or absconded; (3) the return, from one state to another, of non delinquent juveniles who have run away from home; and (4) additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to undertake cooperatively. In carrying out the provisions of this Compact the party states shall be guided by the noncriminal, reformatory and protective policies which guide their laws concerning delinquent, neglected or dependent juveniles generally. It shall be the policy of the states party to this Compact to cooperate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this Compact. ~~Article IV~~ ~~Return of Runaways~~

~~(a) That the parent, guardian, person or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, person or agency may petition the appropriate court in the demanding state for the issuance of a requisition for his return. The petition shall state the name and age of the juvenile, the name of the petitioner and the basis of entitlement to the juvenile's custody, the circumstances of his running away, his location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering his own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate; and shall be accompanied by two (2) certified copies of the document or documents on which the petitioner's entitlement to the juvenile's custody is based, such as birth certificates, letters of guardian ship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with the petition. The judge of the court to which this application is made shall hold a hearing thereon to determine whether for the purposes of this Compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. If the judge determines, after a hearing, that the juvenile should be returned, he shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person or agency entitled to his legal custody, and that it is in the best interest and for the protection of such juvenile that he be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, person or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One (1) copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to the provision of law governing records of such court. Upon the receipt of a requisition~~

demanding the return of a juvenile who has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No juvenile detained upon such order shall be delivered over to the officer whom the court demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of a court in the state, who shall inform him of the demand made for his return, and who shall appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order he shall deliver such juvenile over to the officer whom the court demanding him shall have appointed to receive him. The judge, however may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run away from another state party to this Compact without the consent of a parent, guardian, person or agency entitled to his legal custody, such juvenile may be taken into custody without a requisition and brought forthwith before a judge of the appropriate court who shall appoint counsel or guardian ad litem for such juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for his own protection and welfare, for such a time not exceeding ninety (90) days as will enable his return to another state party to this Compact pursuant to a requisition for his return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein he is found any criminal charge, or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state; or if he is suspended of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport such juvenile through any and all states party to this Compact, without interference. Upon his return to the state from which he ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the law of that state.

(b) That the state to which a juvenile is returned under this Article shall be responsible for payment of the transportation cost of such return.

(c) That juvenile as used in this Article means any person who is a minor under the law of the state of residence of the parent, guardian, person or agency entitled to the legal custody of such minor.

Article V

Return of Escapes and Absconders

(a) That the appropriate person or authority from whose probation or parole supervision a delinquent juvenile has absconded or from whose institutional custody he has escaped shall present to the appropriate court or to the executive authority of the state where the delinquent juvenile is alleged to be located a written requisition for the return of such delinquent juvenile. Such requisition shall state the name and age of the delinquent juvenile, the particulars of his adjudication as a delinquent juvenile, the circumstances of the breach of the terms of his probation or parole or of his escape from an institution or agency vested with his legal custody or supervision, and the location of such delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by the affidavit, shall be executed in duplicate, and shall be accompanied by two (2) certified copies of judgment, formal adjudication, or order of commitment which subjects such delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Such further affidavits and other documents as may be deemed proper may be submitted with such requisition. One (1) copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to provisions of law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the requisition is addressed shall issue an order to

any peace officer or other appropriate person directing him to take into custody and detain such delinquent juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. The delinquent juvenile detained upon such order shall be delivered over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of an appropriate court in the state, who shall inform him of the demand made for his return and who shall appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order he shall deliver such delinquent juvenile over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this Compact, such person may be taken into custody in any other state party to this Compact without a requisition. But in such event, he must be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for such person and who shall determine, after a hearing whether sufficient cause exists to hold the person subject to the order of the court for such a time, not exceeding ninety (90) days, as will enable his detention order issued on a requisition pursuant to this Article. If, at the time when a state seeks the return of a delinquent juvenile who has either absconded while on probation or parole or escaped from an institution or agency vested with his legal custody or supervision, there is pending in the state wherein he is detained any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and identity of the delinquent juvenile being returned, shall be permitted to transport such delinquent juvenile through any and all states party to this Compact, without interference. Upon his return to the state from which he escaped or absconded, the delinquent juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a delinquent juvenile is returned under this Article shall be responsible for payment of the transportation cost of such return.

Article VI Voluntary Return Procedure

That any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this Compact, and any juvenile who has run away from any state party to this Compact, who is taken into custody without requisition in another state party to this Compact under the provisions of Article IV(a) or of Article V(a), may consent to his immediate return to the state from which he absconded, escaped or ran away. Such consent shall be given by the juvenile or delinquent juvenile and his counsel or guardian ad litem if any, by executing or subscribing a writing, in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and his counsel or guardian ad litem consent to his return to the demanding state. Before such consent shall be executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem shall inform the juvenile or delinquent juvenile of his rights under this Compact. When the consent has been duly executed, it shall be forwarded to and filed with the Compact Administrator of the state to which the court is located and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver him to the duly accredited officer or officers of the state demanding his return; and shall cause to be delivered to such officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned, order him to return unaccompanied to such state and shall provide him with a copy of such court order; in such event a

copy of the consent shall be forwarded to the Compact Administrator of the state to which said juvenile or delinquent juvenile is ordered to return.

Article VII

Cooperative Supervision of Probationers and Parolees

(a) That the duly constituted judicial and administrative authorities of a state party to this Compact (herein called 'sending state') may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this Compact (herein called 'receiving state') while on probation or parole and the receiving state shall accept such delinquent juvenile if the parent, guardian or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigation as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies and all other available information which may be of value and assist the receiving state in supervising a probationer or parolee under this Compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

(b) That each receiving state will assume the duties of visitation and of supervision over any such delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail for its own delinquent juveniles released on probation or parole.

(c) That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning such a delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any such delinquent juvenile on probation or parole. For that purpose, no formalities will be required, other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within the receiving state, but, if at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against him within the receiving state any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for any act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this Compact, without interference.

(d) That the sending state shall be responsible under this Article for paying the costs of transporting any delinquent juvenile to the receiving state or of returning any delinquent juvenile to the sending state.

Article VIII

Responsibility for Costs

(a) That the provisions of Articles IV (b), V (b), and VII (d) of this Compact shall not be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(b) That nothing in this Compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency, or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to Articles IV (b), V (b) or VII (d) of this Compact.

Article IX

Detention Practices

~~That, to every extent possible, it shall be the policy of states party to this Compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail or lock up nor be detained or transported in association with criminal, vicious or dissolute persons.~~

~~Article X~~ ~~Supplementary Agreements~~

~~That the duly constituted administrative authorities of a state party to this Compact may enter into supplementary agreements with any other state or states party hereto for the cooperative care, treatment and rehabilitation of delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment and rehabilitation. Such care, treatment and rehabilitation. Such care, treatment and rehabilitation may be provided in an institution located within any state entering delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment and rehabilitation. Such care, treatment and rehabilitation may be provided in an institution located within any state entering into such supplementary agreement. Such supplementary agreements shall (1) provide the rates to be paid for the care, treatment and custody of such delinquent juveniles, taking into consideration the character of facilities, services and subsistence furnished; (2) provide that the delinquent juvenile shall be given a court hearing prior to his being sent to another state for care, treatment and custody; (3) provide that the state receiving such a delinquent juvenile in one of its institutions shall act solely as agent for the state sending such delinquent juvenile; (4) provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state; (5) provide for reasonable inspection of such institutions by the sending state; (6) provide that the consent of the parent, guardian, person or agency entitled to the legal custody of said delinquent juvenile shall be secured prior to this being sent to another state; and (7) make provision for such other matters and details as shall be necessary to protect the rights and equities of such delinquent juveniles and of the cooperating state.~~

~~Article XI~~ ~~Acceptance of Federal and Other Aids~~

~~That any state party to this Compact may accept any and all donations, gifts and grants of money, equipment and services from the federal or any local government, or any agency thereof and from any person, firm or corporation, for any of the purposes and functions of this Compact, and may receive and utilize the same subject to the terms, conditions and regulations governing such donations, gifts and grants.~~

~~Article XII~~ ~~Compact Administrators~~

~~That the Chief Judge of the Superior Court of Guam shall be the Compact Administrator and who, acting jointly with like officers of other states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this Compact.~~

~~Article XIII~~ ~~Execution of Compact~~

~~That this Compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form of execution to be in accordance with the laws of the executing state.~~

~~Article XIV~~ ~~Renunciation~~

~~That this Compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this Compact shall be by the same authority which executed it, by sending six (6) months' notice in writing of its intention to withdraw from the Compact to the other states party hereto. The duties and obligations of a renouncing state under Article VII hereto shall continue as to~~

~~parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under Article X hereof shall be subject to renunciation as provided by such supplementary agreements, and shall not be subject to the six (6) months' renunciation notice of the present Article.~~

~~Article XV Severability~~

~~That the provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating therein, the Compact shall remain in full force and effect as to the state affected as to all severable matters.~~

~~Article XVI Out of State Confinement~~

~~(a) This Article, known as the Out of State Confinement Amendment to the Interstate Compact on Juveniles, is hereby enacted into law and entered into by this Territory with all other states legally joining therein the form substantially as follows:~~

~~(1) Whenever the duly constituted judicial or administrative authorities in a sending state shall determine that confinement of a probationer or reconfinement of a parolee is necessary or desirable, said officials may direct that the confinement or reconfinement be in an appropriate institution for delinquent juveniles within the Territory of the receiving state, such receiving state to act in that regard solely as agent for the sending state.~~

~~(2) Escapees and absconders who could otherwise be returned pursuant to Article V of the Compact may be confined or reconfined in the receiving state pursuant to this Article. In any such case the information and allegations required to be made and furnished in a requisition pursuant to such Article shall be made and furnished, but in place of the demand pursuant to Article V, the sending state shall request confinement or reconfinement in the receiving state. Whenever applicable, detention orders as provided in Article V may be employed pursuant to this Paragraph preliminary to disposition of the escapee or absconder.~~

~~(3) The confinement or reconfinement of a parolee, probationer, escapee, or absconder pursuant to this Article shall require the concurrence of the appropriate judicial or administrative authorities of the receiving state.~~

~~(4) As used in this Article: (1) sending state means sending state as the term is used in Article VII of the Compact or the state from which a delinquent juvenile has escaped or absconded within the meaning of Article V of the Compact; (2) receiving state means any state, other than the sending state, in which a parolee, probationer, escapee, or absconder may be found, provided that said state is a party to this Article.~~

~~(5) Every state which adopts this Article shall designate at least one of its institutions for delinquent juveniles as a Compact Institution and shall confine persons therein as provided in Paragraph (a) hereof unless the sending and receiving state in question shall make specific contractual arrangement to the contrary. All states party to this Article shall have access to Compact Institutions at all reasonable hours for the purpose of inspecting the facilities thereof and for the purpose of visiting such of said state's delinquents as may be confined in the institution.~~

~~(6) Persons confined in ACompact Institutions@ pursuant to the terms of this Compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed from said~~

~~A Compact Institution~~ for transfer to an appropriate institution within the sending state, for return to probation or parole, for discharge, or for any purpose permitted by the laws of the sending state.

~~(7) All persons who may be confined in a “A Compact Institution” pursuant to the provisions of this Article shall be treated in a reasonable and humane manner. The fact of confinement or reconfinement in a receiving state shall not deprive any person so confined or reconfined of any rights which said person would have had if confined or reconfined in an appropriate institution of the sending state; nor shall any agreement to submit to confinement or reconfinement pursuant to the terms of this Article be construed as a waiver of any rights which the delinquent would have had if he had been confined or reconfined in any appropriate institution of the sending state except that the hearing or hearings, if any, to which a parolee, probationer, escapee or absconder may be entitled (prior to confinement or reconfinement) by the laws of the sending state may be had before the appropriate judicial or administrative officers of the receiving state. In this event, said judicial and administrative officers shall act as agents of the sending state after consultation with appropriate officers of the sending state.~~

~~(8) Any receiving state incurring costs or other expenses under this amendment shall be reimbursed in the amount of such costs or other expenses by the sending state unless the states concerned shall specifically otherwise agree. Any two or more states party to this Compact may enter into supplementary agreements determining a different allocation of costs as among themselves.~~

~~(A) Rules and regulations necessary to effectuate the terms of this Article may be promulgated by the appropriate officers of those states which have enacted this Article.~~

~~(B) In addition to any institution in which the authorities of this Territory may otherwise confine or order the confinement of a delinquent juvenile, such authorities may, pursuant to this Article, confine or order the confinement of a delinquent juvenile in a Compact Institution within another party state.~~

~~§ 90.84. Chief Judge of Superior Court to be Compact Administrator: Duties.~~

~~Pursuant to the Compact the Presiding Judge of the Superior Court shall be the Compact Administrator and shall promulgate rules and regulations to carry out the terms of the Compact. The Compact Administrator may enter into agreements with appropriate officials of other states or territories pursuant to the Compact. The Compact Administrator shall cooperate with all departments, agencies and officers of and in the government of Guam in facilitating the proper administration of the Compact or of any agreements entered into by Guam thereunder.~~

ARTICLE 4 PRISON INDUSTRIES

~~§ 90.90. Prison Industries, Established.~~

~~(a) Prison Industries, Established. The Department of Corrections is hereby authorized to establish such prison industries as may be feasible to provide a means for inmates and detainees to receive job training and skills development; to provide opportunities for the earning of wages to be used to pay restitution to victims of crime, and payment of fines and court costs; and to provide additional means for funding certain recurring expenses of the Department. The Department *shall* separate and designate each prison industry to be established as occurring “within the secured perimeter” or occurring “outside the secured perimeter.” This Act is *not* meant to replace the activities authorized by Chapter 84 of Article 1, Title 9, Guam Code Annotated, but *shall* be viewed as authorizing additional activities. ARTICLE 7

THE DEPARTMENT OF CORRECTIONS MODERNIZATION ACT OF 2021

§ 90.301. Legislative Findings and Policy.

(a) *I Liheslaturan Guåhan* finds that the Department of Corrections (DOC) was established by Public Law 9-208 on July 18, 1968 within the executive branch of the Government of Guam. Before the enactment of Public Law 9-208, the Department of Corrections was first known as the Guam Penitentiary and through Executive Order 68-23, issued by Governor Manuel F.L. Guerrero, the Penitentiary was transferred to the Department of Corrections, which was effective on November 1, 1968.

(b) The Department of Corrections is the only prison on Guam and provides services to local and federal agencies. DOC provides custodial care to individuals who are convicted of crimes and for those who are waiting judicial disposition. The environment of the prison must meet federal standards such as the National Prison Standards, Prison Rape Elimination Act (PREA), and the National Commission on Correctional Healthcare Standards (NCCHC), which ensures that the living conditions are decent and humane; but, with the issue of overcrowding and structural failures, DOC has been struggling to properly execute their mandates and comply with national standards. DOC is ensuring that it prevents any violations of the Federal Consent Decree, which requires the Government of Guam to improve the living conditions of the inmates following the Civil Rights of Institutionalized Persons Act.

(c) The Adult Correctional Facility (ACF) in Mangilao is in its stages of failure due to age and lack of modern technology, which is affecting the operations and personnel of the correctional agency. The ACF was built to hold a maximum of three hundred (300) inmates and detainees; and currently, the population of Guam is growing as well as its crime rates, while DOC has outgrown its ACF. Over time, other DOC buildings were added to address the overcrowding issues of the ACF, and buildings used for rehabilitation and offices were re-designed to accommodate the rising population of prisoners. The Adult Correctional Facility is made of fifteen (15) housing units, which holds not only local inmates and detainees, but also immigration and federal detainees. The lack of proper facilities prevents DOC from properly providing rehabilitation to the inmates.

(d) The poor condition of the housing units of the prison is not cost effective or adequate to handle the growing prisoner population, and DOC recognized the difficulty in meeting its mandates of providing security, health, rehabilitation and welfare to the inmates and detainees under its care without compromising the well-being of its personnel. The main goal of the Department of Corrections is to provide rehabilitation to individuals who have been convicted of crimes and ensure that they become useful members of the community and to themselves.

(e) Furthermore, *I Liheslaturan Guåhan* finds that DOC has plans to build a new Department of Corrections facility with a bed capacity for one thousand (1,000) inmates to replace its current prison if funding was available. The new prison would provide the proper space to meet its mandates and the demands of its growing prisoner population. The Department of Corrections had started to draft an eighty (80)-year master plan, which will provide a phase-to-phase plan to construct a new Department of Corrections facility that will meet its construction goal of a bed capacity of one thousand (1,000) inmates. The Department of Corrections' goal is to ensure that all the issues on structural, technology, and security of the inmates and personnel are covered. The master plan also ensures that DOC meets all federal standards such as the National Prison Standards and PREA standards.

(f) Therefore, it is the intent of *I Liheslaturan Guåhan* to provide the Department of Corrections with the proper confinement of offenders in a controlled environment prison and community-based facilities that are safe, humane, cost-efficient, and appropriately secure, which also promotes the safety of the people of Guam. *I Liheslaturan Guåhan* has identified funding to construct a new Department of Corrections Adult Correctional Facility through the Earned Income Tax Credits to be reimbursed to Guam at an estimated Sixty Million Dollars (\$60,000,000) annually, of which an estimate of no more than Five Million Dollars (\$5,000,000) will be allocated for the payments of the lease-back agreement.

(g) In an effort to overcome financing hurdles, and to provide DOC with the proper tools to meet its mandates, *I Liheslaturan Guåhan* desires to authorize the Government of Guam to enter into contract for the financing, design, construction, and long-term capital maintenance of a new Department of Corrections facility with private sector contractors who can provide long-term financing.

(h) To facilitate the financing, design, construction, and maintenance of a new Department of Corrections facility envisioned by this Act, the Government of Guam will be authorized to execute a lease agreement of existing property under its inventory for up to thirty (30) years on which the new Department of Corrections facility will be constructed.

(i) The lease of the Government of Guam's property will be to the contractor and/or the Guam Economic Development Authority, who will design and construct the new Department of Corrections facility and provide a funding for the design and construction through appropriations received from the reimbursement of the Earned Income Tax Credit for Fiscal Year 2022 and prospective appropriations from the General Fund, thereafter annually. Upon completion of the construction, the facilities and land will be leased back to the Government of Guam for a period not to exceed the initial ground lease to the contractor over which time the Government of Guam will amortize, as lease payments to the contractor, the cost of financing, design, construction, and related expenses of the new Department of Corrections.

(j) The contractor/developer will also be responsible for the capital maintenance and repair of the Department of Corrections constructed under this Act, which costs shall be paid by the Government of Guam as provided for under this Act. At the expiration of the lease-back period, the Government of Guam real property and the Department of Corrections constructed on the Government of Guam real property will revert to the Government of Guam with no further obligations to the contractor.

CLRC COMMENT: No change.

Such alternative financing shall be approved by *I Liheslaturan Guåhan*. § 91.01. Title.

This Act may be known and cited as the “Infant Child’s Right to Life Act.”

CLRC COMMENT: No change.

§ 91.02. Legislative Findings and Purpose.

(a) *I Liheslaturan Guåhan* finds that:

(1) All children, no matter their age, have the right to life. Guam has a paramount interest in protecting all human life.

(2) If an abortion results in the live birth of an infant, the infant is a legal person for all purposes under the laws of Guam.

(3) Guam must assert its interest in protecting an infant whose live birth occurred as the result of an abortion.

(4) Without proper legal protection, newly-born infants who survive abortions could be denied proper life-saving or life-sustaining medical treatment and left to die.

(b) Accordingly, it is the purpose of this Act to ensure the protection and promotion of the health and wellbeing of all infants born alive in Guam. Therefore, this Act mandates that healthcare providers give medically appropriate and reasonable life-saving and life-sustaining medical care and treatment to all born alive infants.

- (1) breathing;
- (2) a heartbeat;

§ 91.04. Requirements and Responsibilities.

(a) A person shall not deny or deprive an infant of nourishment with the intent to cause or allow the death of the infant for any reason.

(b) A person shall not deprive an infant of medically appropriate and reasonable medical care and treatment or surgical care.

(c) The requirements of this Section shall not be construed to prevent an infant's parent(s) or

guardian(s) from refusing to give consent to medical treatment or surgical care which is not medically necessary or reasonable, including care or treatment which either:

- (1) is not necessary to save the life of the infant;
- (2) has a potential risk to the infant's life or health that outweighs the potential benefit to the infant of the treatment or care; or
- (3) is treatment that will do no more than prolong the act of dying when death is imminent.

(d) The physician performing an abortion must take all medically appropriate and reasonable steps to preserve the life and health of an infant. If an abortion performed in a hospital results in a live birth, the physician attending the abortion shall provide immediate medical care to the infant, inform the mother of the live birth, and request the transfer of the infant to a resident, on-duty or emergency care physician, who shall provide medically-appropriate and reasonable medical care and treatment to the infant. If an abortion performed in a facility other than a hospital results in a live birth, a physician attending the abortion shall provide immediate medical care and treatment to the infant and call 9-1-1 for an emergency transfer of the infant to a hospital that shall provide medically-appropriate and reasonable care and treatment to the infant.

(e) If the physician described in Subsection (d) of this Section is unable to perform the duties in that Subsection because he is assisting the woman on whom the abortion was performed, then an attending physician's assistant, nurse, or other licensed healthcare provider must assume the duties outlined in that Subsection.

(f) Any infant, including one born in the course of an abortion procedure, shall be treated as a legal person under the laws of Guam, with the same rights to medically-appropriate care and treatment, and birth and death (if death occurs) certificates shall be issued accordingly.

(g) If, before the abortion, the mother and the father have stated in writing that they do not wish to keep the infant in the event that the abortion results in a live birth, and this writing is not retracted before the abortion, the infant, if born alive, shall immediately upon birth become a ward of Guam.

(h) No person may use any infant for any type of scientific research or other kind of experimentation except as necessary to protect or preserve the life and health of the premature born alive infant.

CLRC COMMENT: No change.

§ 91.05. Criminal Penalties.

(a) Any physician, nurse, or other licensed healthcare provider who intentionally with premeditation, or intentionally, or knowingly, or recklessly, or by criminal negligence fails to provide reasonable and medically-appropriate and reasonable care and treatment to an infant in the course of an abortion shall be guilty of a criminal homicide, as defined in Chapter 16 of Title 9, Guam Code Annotated, and may be punished in accordance with that Chapter. The mother will not be liable, criminally or civilly, for actions of a physician, nurse, or other licensed healthcare provider, in violation of this Act to which she did not give her consent.

(b) Any violation of § 91.04(h) of this Act concerning the research use of a born-alive infant is a felony of the first degree, and upon conviction may be punished in accordance with Article 2, Chapter 80 of Title 9, Guam Code Annotated.

CLRC COMMENT: No change.

§ 91.06. Civil and Administrative Action.

In addition to whatever remedies are available under the common or statutory laws of Guam, failure to comply with the requirements of this Act shall:

(a) provide a basis for a civil action for compensatory and punitive damages. Any conviction under this Act shall be admissible in a civil suit as *prima facie* evidence of a failure to provide medically appropriate and reasonable care and treatment to a born-alive infant. Any civil action may be based on a claim that the death of or injury to the born-alive infant was a result of simple negligence, gross negligence, wantonness, willfulness, intentional conduct, or another violation of the legal standard of care;

(b) provide a basis for professional disciplinary action for the suspension or revocation of any license of physicians, licensed and registered nurses, or other licensed or regulated persons. Any conviction of any person for any failure to comply with the requirements of this Act shall result in the automatic suspension of his or her license for a period of at least one year, and shall be reinstated after that time only under such conditions as shall be required to ensure compliance with this Act; and

(c) provide a basis for recovery for the parent(s) of the infant, or the parent(s) or guardian(s) of the mother if the mother is a minor, for the wrongful death of the infant whether or not the infant was viable at the time abortion was performed.
